INNOVATIVE. FLEXIBLE. CREATIVE.

With minimal design, smart technology, and organic elements intertwined to create an environment of refined productivity, TETRA provides 9,000 square feet of total event space. Connect with colleagues in one of our three meeting rooms (totaling 2,044 square feet). Enjoy the nexus space—a hub with plenty of seating, a fire feature, and art—that seamlessly bridges the gap between the indoors and outdoors. Or plan events on our relaxed, arboreal pool deck or inviting restaurant, both available for social or corporate gatherings. At TETRA every aspect of your stay is designed with your overall well-being in mind.
